

POST-DEGREE BACHELOR OF SCIENCE IN NURSING (PDBSN) COURSE ORGANIZATION

The Post-Degree Bachelor of Science in Nursing (PDBSN) option recognizes previous university achievements of qualified students and gives them the opportunity to earn a Bachelor of Science in Nursing (BSN) degree in a shortened period of time. The Post-Degree BSN option provides opportunity for full-time intensive study over six consecutive terms with program completion in less than two calendar years. Please note, this is only a sample schedule and may be subject to change.
